Screenshot of the proposed customized UI for the MoSes Sharepoint site.

The screenshot displays a web interface for the MoSes Online Documentation Library. On the left, there is a vertical sidebar with a green background and a white graphic of a hand holding a document. The main content area has a dark blue header with the MoSes logo and navigation links. Below the header is a table of recent documents and an announcements section.

## ANNOUNCEMENTS

Welcome to the MoSes Online Documentation Library  
by Doe, John

This site is intended to provide a centralized process knowledgebase among the actuarial staff, to improve knowledge retention, and shorten learning curves.
